Star Alliance names Theo Panagiotoulas as New CEO

FRANKFURT and SINGAPORE, June 7, 2023 /CNW/ - Star Alliance, the world's first and largest global airline alliance, is pleased to announce that Theo Panagiotoulas has been chosen to become its next CEO.

Mr Panagiotoulas has more than 25 years' international experience in the airline and aviation industry. He joins Star Alliance from Hawaiian Airlines, where he had been Senior VP for Global Sales and Alliances since 2014. Previously, Mr Panagiotoulas was VP and GM (Asia Pacific) at travel technology provider Sabre Corporation, as well as a 15-year veteran of American Airlines, where he held several commercial, operational and management positions. His full biography is appended.

"On behalf of the board of Star Alliance, I would like to congratulate Theo for being named the next CEO of Star Alliance," said Scott Kirby, CEO of United Airlines and Chairman of the Star Alliance Chief Executive Board. "Theo's international commercial and airline experience have given him a good understanding of the challenges and opportunities facing our industry today. I believe he is the right person to lead Star Alliance into the future."

"Star Alliance connects the world," said Mr Panagiotoulas. "More than 200 million customers fly with its 26 member airlines each year, on more than 16,000 flights each day. The Alliance has also led the revolution to promote a more seamless passenger experience. I am honoured that I've been chosen to lead the Star Alliance team and work directly with our 26 member carriers, as we continue to innovate as the world's leading airline alliance."

Mr Panagiotoulas will succeed Charlotta Wieland, who has been seconded from SAS – Scandinavian Airlines to serve as Star Alliance's interim CEO since January 2023. With Mr Panagiotoulas coming on board, Ms Wieland will return to SAS, and also rejoin Star Alliance's Alliance Management Board as the representative for SAS. Mr Panagiotoulas' appointment is expected to take effect within the coming months, upon the completion of certain administrative processes and clearances.

"On behalf of Star Alliance and its member carriers, I would like to thank Charlotta for her service to Star Alliance as interim CEO, and welcome her back to her seat on the Alliance Management Board," said Mr Kirby.

Star Alliance was named the World's Best Airline Alliance by [Skytrax](#) in 2022. It aims to facilitate a seamless, high-quality traveller experience across its 26 member carriers, with smooth transfers across an extensive global network, together with rewards and recognition for frequent international travellers.

In 2022, the Alliance celebrated its [25th anniversary](#) as the longest-running international airline alliance. It also marked several important milestones, including the launch of the world's first [airline alliance credit card](#) with HSBC Australia, and the formation of an [intermodal travel](#) model, which extends the Alliance's network beyond air travel to other transport ecosystems, such as rail networks.

About Star Alliance

The Star Alliance network was established in 1997 as the first truly global airline alliance, based on a customer value proposition of global reach, worldwide recognition and seamless service. Since inception, it has offered the largest and most comprehensive airline network, with a focus on improving customer experience across the Alliance journey.

The member airlines are: Aegean Airlines, Air Canada, Air China, Air India, Air New Zealand, ANA, Asiana Airlines, Austrian, Avianca, Brussels Airlines, Copa Airlines, Croatia Airlines, EGYPTAIR, Ethiopian Airlines, EVA Air, LOT Polish Airlines, Lufthansa, Scandinavian Airlines, Shenzhen Airlines, Singapore Airlines, South African Airways, SWISS, TAP Air Portugal, THAI, Turkish Airlines, and United Airlines.

Overall, the Star Alliance network currently offers more than 16,000 daily flights to almost 1,200 airports in 186 countries. Further connecting flights are offered by Star Alliance Connecting Partners Juneyao Airlines and THAI Smile Airways.
