Meet Janice - at six-months-old, she was the youngest on TCA's inaugural to Shannon in 1947

Sep 01, 2017

70 years ago this month, we inaugurated service to Shannon, Ireland. Six-month-old Janice was the youngest passenger on TCA's inaugural flight!

Next summer, we'll mark another first: the launch of non-stop service from Toronto-Pearson to Shannon on our new B737 MAX!
