Riding in Air Canada's Lockheed 10A Electra - Better than Business Class

Aug 01, 2017

Air Canada's first flight was in a 1937 Lockheed 10A from Vancouver to Seattle. 80 years later, this beautifully restored 10A Electra embarks on a cross country tour to celebrate the September 1st anniversary.

Join Brian from Everyday Reviews as he finds out more about what it's like to fly in one of only 2 in the world.
