## Three Cabin Review of Air Canada's Boeing 787 Dreamliner

Oct 01, 2014

Brian Chow from Everyday Reviews looks at what our Boeing 787 Dreamliner has to offer:

"A brief look at Air Canada's newest addition 787 Dreamliner on a stopover in Vancouver (YVR) I test out all 3 cabins and even get to talk to the Captain and On Board Coach. I haven't even flown in this yet but I can tell you that it's already my new favorite aircraft."
