Air Canada AC190 update: last passenger released from hospital

MONTREAL, Jan. 10 /CNW Telbec/ - Air Canada confirms that the last remaining passenger of the 10 individuals who were transferred to hospital following an incident on flight AC190 today has now been released from hospital.

Flight AC190, en route to Toronto from Victoria, was diverted to Calgary where it landed without incident at approximately 08:30 MT (10:30 ET) today. The Airbus A319 was carrying 83 passengers and five crew members.

Air Canada will be cooperating fully with The Transportation Safety Board to determine the cause of the incident.

Families and relatives who need information about passengers on flight AC190 may telephone Air Canada at: 1 800 961 7099.
