Air Canada provides update on flight AC190

MONTREAL, Jan. 10 /CNW Telbec/ - Air Canada provides the following update:

Flight AC190, en route to Toronto from Victoria, was diverted to Calgary where it landed without incident at approximately 08:30 MT (10:30:00 ET) today.

Air Canada teams are meeting with passengers. At this time the airline can confirm that passengers and crew have been examined by medical personnel and 10 passengers have been transferred to hospital with non-life threatening injuries. All other passengers are continuing their onward travel to Toronto.

Those who need information about passengers on flight AC190 may telephone Air Canada at: 1 800 961 7099.

The passenger list indicates the Airbus A319 was carrying 83 passengers and five crew members.

A full investigation of the incident is being undertaken.

Further details will be provided as more information becomes available.
