## Air Canada Cargo Enhances its Digital Offering by going live on WebCargo's Booking Platform

MONTREAL, March 28, 2022 – Air Canada Cargo today announced that, starting in the next few weeks, its capacity will be available to forwarders on WebCargo, an eBooking platform that allows real-time pricing and booking for customers.

As Canada's largest air cargo provider, Air Canada Cargo has continually invested and adapted despite the impact of the Covid-19 pandemic, with the acquisition of Boeing 767-300ER freighter aircraft, hub infrastructure enhancements and the continued digitization of its operations.

"We are thrilled to be connecting to WebCargo's booking platform as we continue down the path in our digital transformation and evolution. Digitalization is key to the success of air cargo and we pride ourselves on staying ahead of the curve, and embracing technological solutions that will provide value to our customers and added efficiencies to our company," said Matthieu Casey, Managing Director, Commercial - Cargo.
